

David Douglas Family Member,

If you are like us, Denise Lisac made a positive impact in your life. If we are being honest, she impacted us in many ways, many times. For some of you it may have been in the classroom, for others on the field, in the hallways, or even outside of school. Whatever the circumstances were the fact is Dee helped shape who we are today. In this spirit, we are providing you with the opportunity to carry on Dee's legacy for years to come by contributing to a scholarship in her name. The *Denise Lisac Memorial Scholarship* will be given each year to one male and one female David Douglas High School graduate who exemplify her core values. These values are:

- Giving
- Responsibility
- Integrity
- Tenacity = GRIT.

Our goal is to provide a \$1,000 scholarship to each student. In order to make this a reality, we need your help. If Dee made a difference in your life, please consider making a donation to the *Denise Lisac Memorial Scholarship* fund. Here's how:

1. Stop in and see us! Come by the Main office and donate by card, cash or check. Office hours are Monday through Friday 8am to 3pm.
2. Send a check in care of the *Denise Lisac Memorial Scholarship* to:

David Douglas High School  
1001 SE 135th Avenue  
Portland, OR 97233  
ATTN: Bookkeeper

3. Credit card option:

Go to our high school website and click on our athletic page. Once there you will find a separate page for the Denise Lisac Memorial Scholarship with information about the scholarship and a link for an online credit card donation option.

Please call our Bookkeeper, Mikyla Pruett, with any questions about donation methods at (503) 261-8345.

We are hoping to be able to provide these scholarships for the first time to two 2021 graduates so we need to get rolling! Please donate today! Remember your donation is tax deductible. We will provide you with our tax ID upon request.

Respectfully,

**John Bier**  
Principal  
David Douglas High School

**Greg Carradine**  
Assistant Principal  
David Douglas High School
